To Whom It May Concern,

I am pleased to recommend **Mr. Praveenkumar Mopuru**, who successfully completed his internship program with **Unified Mentor Pvt. Ltd. from 25th March 2026 to 25th June 2026**, for a duration of **3 months, in the domain of Data Analytics**.

During his internship, he actively worked on multiple projects including **System Capacity & Care Load Analytics for Unaccompanied Children and Employee Engagement, Satisfaction, and Burnout Diagnostic Analysis at Palo Alto Networks**. Throughout his tenure, he demonstrated strong analytical aptitude, problem-solving skills, and a dedicated approach toward deriving meaningful insights from data.

He consistently showcased sincerity, adaptability, and a strong willingness to learn and apply data analytics concepts to practical scenarios. His ability to analyze operational and workforce datasets, identify trends and patterns, evaluate organizational performance, and generate data-driven insights to support informed decision-making was highly commendable.

Mr. Praveenkumar Mopuru maintained professionalism and commitment throughout the internship period and displayed excellent problem-solving abilities, attention to detail, and responsibility while managing his assigned tasks and project deliverables. His structured approach to data analysis and interpretation contributed positively to the successful completion of his projects.

I am confident that he possesses the analytical mindset, determination, and professional attitude required to excel in his future academic and professional endeavors. I wish him continued success and growth in all his future pursuits.
